Investing in homes and neighbourhoods

At L&Q we believe passionately that people's health, security and happiness depend on where they live.

With 60 years' experience, we have what it takes to do things right. We aim to deliver great service to every customer, every time, and we're always looking for ways to improve ourselves.

Our relationships are built on trust, transparency and fairness and we're there when we're needed - locally responsive and working hard to keep the communities we serve safe and vibrant.

Because our social purpose is at the core of what we do, we reinvest all of the money that we make into our homes and services.

We create better places to live by delivering homes, neighbourhoods and housing services that people can afford.

We are L&Q.

Buying a Shared Ownership home with L&Q

With Shared Ownership you start by buying a share in your home and then progress to full ownership by buying more shares. Your deposit will be 5% to 10% of the share you are buying. You pay a mortgage on the share you own and a rent to L&Q on the share you don't own.

Am I Eligible?

To buy a home under the Shared Ownership scheme you must meet these basic requirements:

- have a combined annual household income under £80,000, or £90,000 in London
- not own a property, or part of a property, at the time of completing on your purchase
- be 18 years or older and be able to obtain a mortgage

Complete our Shared Ownership Application form to confirm your eligibility.

Are some applicants prioritised?

Some developments may initially be reserved for those who live or work locally, but in most cases the development is open to everyone so please register if you are interested. You can find out more about the development eligibility criteria on our website or by speaking to the Sales Team.

Is Shared Ownership really affordable?

The best way to find out if Shared Ownership is affordable for you is to speak to an independent mortgage advisor about your finances. They will help you determine what is affordable and help you make the right decision. You will need a deposit and will also need to cover the costs of buying a home. These costs include things like the reservation fee, mortgage valuation fee, removal costs and utility connection charges.

Can I buy more shares in my home?

Yes, this process is known as staircasing. You can also sell the share you own at any time, either via the L&Q Resales team or on the open market.

If you have any questions about the application form please contact the Homebuy Application Team at applications@lqgroup.org.uk or call 0300 456 9997 opt 1, Monday to Friday 9am-5pm
You can learn all about Shared Ownership at Iqhomes.com/shared-ownership

We're here and ready to help

When you're ready to move in, L&Q will give you a personal introduction to your new L&Q home.

The L&Q new homes warranty

We will demonstrate how to operate your appliances and heating and talk you through any special features, all of which will be detailed in your Home User Guide.

We are confident that you will be delighted with your new L&Q home, but for added peace of mind, all of our homes also come with an L&Q new homes warranty.
