MEWS

Your place to grow

INTRODUCING *Birnam Mews*

A new development of 60 homes in the charming Warwickshire village of Tiddington, around two miles from Stratford-upon-Avon, the birthplace of William Shakespeare.

At L&Q, we are dedicated to building homes you can be proud of and those at Birnam Mews are no exception. The collection of one, two, three and four bedroom houses, have been designed to reflect the character of Tiddington by using sympathetic materials and colours. This includes the distinctive Flemish bond brickwork pattern.

We place a large emphasis on quality and all of our homes at Birnam Mews come with a high specification. The homes are also larger than standard new build properties which brings benefits such as additional storage and more space for you and your family to enjoy.

We've made sure to incorporate plenty of nature into Birnam Mews with a majority of the homes having a view of green space. Two large squares form the heart of the community with enclosed play spaces for children and plenty of green space for nature to flourish.

As you might imagine of a collection of homes named after the famous wood in Shakespeare's Macbeth, careful attention has been paid to the selection of trees at Birnam Mews. We have chosen varieties for their appearance and potential for promoting biodiversity.

A peaceful home in what's certain to become a warm, welcoming community located in a traditional village in the green heart of England. Welcome to Birnam Mews.
