Buying a Shared Ownership home with L&Q

With Shared Ownership you start by buying a share in your home and then progress to full ownership by buying more shares. Your deposit will be 5% to 10% of the share you are buying. You pay a mortgage on the share you own and a subsidised rent to L&Q on the share you don't own.

Am I Eligible?

To buy a home under the Shared Ownership scheme you must meet these basic requirements:

- have a combined annual household income under £80,000, or £90,000 in London
- not own a property, or part of a property, at the time of completing on your purchase
- be 18 years or older and be able to obtain a mortgage

Complete our Shared Ownership Application form to confirm your eligibility.

Are some applicants prioritised?

Some developments may initially be reserved for those who live or work locally, but in most cases the development is open to everyone so please register if you are interested. You can find out more about the development eligibility criteria on our website or by speaking to the Sales Team.

Is Shared Ownership really affordable?

The best way to find out if Shared Ownership is affordable for you is to speak to an independent mortgage advisor about your finances. They will help you determine what is affordable and help you make the right decision. You will need a deposit and will also need to cover the costs of buying a home. These costs include things like the reservation fee, mortgage valuation fee, removal costs and utility connection charges.

Can I buy more shares in my home?

Yes, this process is known as staircasing. You can also sell the share you own at any time, either via the L&Q Resales Team or on the open market.

If you have any questions about the application form please contact the Homebuy Application Team at applications@lqgroup.org.uk or call 0300 456 9997 opt 1, Monday to Friday 9am-5pm
