City and country

Is there any wonder that Cambridge is regularly voted one of the best places in Britain to live and work?

At the heart of this beautiful historic city is the famous River Cam, and on its banks locals can enjoy everything from quiet walks to off-the-beaten- track running trails, and bustling beer gardens to restaurant terraces with a view.

The city's multi-national population also makes for an eclectic mix of food and drink destinations, while Cambridge's shopping scene takes in the big High Street names and one-of-a-kind boutiques, and plenty of interiors shops to help put an individual stamp on your new home.

To enjoy Cambridge's thriving shopping, food and drink scene, a short bus or car journey takes you into the city centre, where you can take your pick from a wide range of options, while the city's famous green spaces, gardens and riverside make for a relaxing way to spend the weekend.
