

WHALLEY
MANOR

Whalley **wildlife walk**

This summer, explore the wonderful wildlife around Whalley, in partnership with Whalley Manor.

It's time to put on your explorer boots and tick off the below as you go.

Lift a rock

Discover a nest

Spot a butterfly

Hug a tree

Find a snail's trail

Smell a flower

Hear a bird

Hear a bee

Plant a seed

Once completed, return your card to the Whalley Manor Sales Suite to retrieve a special prize.

Whalley Manor, a development being delivered in partnership between L&Q and Lovell Homes, is running a Wildlife Walk throughout the summer months, and we'd love for your little explorers to get involved.

For every completed card, we'll be donating to the Lancashire Wildlife Trust's 'Step up for Wildlife' campaign, which aims to protect, enhance and preserve the precious habitats and wildlife in our local area. Explorers will also receive a sweet treat from the Whalley Manor Sales Suite as they hand in their completed cards.

The cards can be filled in at any time – in a day, a week or across the whole summer holidays. We would suggest venturing to Salthill or Cross Hill Quarry Local Nature Reserves, which are around 5 miles from Whalley – but you could explore your local park or even your back garden!

Completed cards to be returned to:

Whalley Manor Sales Suite
Springwood Drive
Whalley, Clitheroe
BB7 9XJ
